Proposal for mural on City Hall by Bonnie Akbar (Artful Bon)

Location: Outside wall facing south in the back parking lot. Mural will cover the white wall up to the metal siding, approximately 14.5 ft wide by 11 ft high. The plan is to paint a patriotic scene of the city's choice.

Supplies needed for the city to provide:

Primer, 1 gallon white

outdoor paint each color:

- White 1 Gallon
- Royal blue, 1 quart
- Red, 1 quart

1 paintbrush, 3 inch chip

Cones for blocking off parking

Other supplies I will provide:

Outdoor paint:

- Black
- Yellow
- Purple

Paintbrushes for details

Scaffolding

Tasks for the city:

- Replace or repair wood in door jam
- Power wash or sand surface
- Sand or replace back door with peeling paint
- Replace or repair caulking around doorway.
- Prime with white paint, if able

This process should take 3 days for me to paint, unless it also needs priming--in which case it will take me at least 5 days with the parking area sectioned off or moved backwards 6 feet.

I will be submitting two choices for the mural. I will begin the process on a Sunday, so should be able to finish by Wednesday.

I can start as soon as the surface is prepped.
